

# Victory Keys to Safety

## Summer Seasonal Hazards

### BEWARE OF SUMMER SAFETY HAZARDS

Ensure Soldiers, Family Members, and Civilians take action to reduce the hazards of summer activities.

#### WATER SAFETY

Alcohol + Swimming or Boating = DISASTER

Only swim in BSB approved designated areas

Know the depth level and temperature of the water

Never swim or boat alone, use the buddy system and keep an eye on family members and kids

#### BARBECUE SAFETY

Follow instructions in the owner's manual

Ensure proper transportation and storage of propane tank

Don't cook on small balconies or porches close to building

Ensure a serviceable fire extinguisher is available

#### PERSONAL SAFETY

Drink water to ensure continuous hydration

Adjust time to train outdoors depending on temperatures

Use a sun screen/ block when in direct sunlight over period of time

Never leave children/ pets in vehicles unattended

Never drink and drive
